Losing Your Mind plants the seed of spirituality into the heart of psychiatry like never before. Going far beyond showing the importance of spirituality in all healing, "Are You Getting Enlightened..." attempts to help lead the field of psychiatry, which has largely become a biological field, into the future, creating a Psychiatry for the 21st Century.

### Are You Getting Enlightened Or Losing Your Mind?

To become enlightened, you must seek it yourself, within yourself. The Law of One has this to say on how to become enlightened: “Another self cannot teach/learn enlightenment, but only teach/learn information, inspiration, or a sharing of love, of mystery, of the unknown that makes the other-self reach out and begin the seeking process...”
