Deaf History Unveiled: Interpretations from the New ----

Since the early 1970s, when Deaf history as a formal discipline did not exist, the study of Deaf people, their culture and language, and how hearing societies treated them has exploded. Deaf History Unveiled: Interpretations from the New Scholarship presents the latest findings from the new scholars mining this previously neglected, rich field of inquiry.

Deaf History Unveiled: Interpretations from the New ----

This book, "Deaf History Unveiled" by John Vickrey Van Cleve is an excellent book for students who are learning about Deaf history. I needed this book for my Deaf History course at school. I figure many students will need this book for a Deaf history class. I like this book because it is a great choice for learning Deaf history because it is a detailed timeline of Deaf history. It discussed the men woman who were large influences on what had developed into Deaf Culture today.
