Forty Autumns: A family's story of courage and survival on ...

Forty Autumns brings into focus these five resolute women who fought to preserve what matters most--three generations whose lives embodied one nation's birth and demise. Nina takes us deep into the tumultuous and terrifying world of East Germany under communist rule, revealing both the harsh reality her relatives endured and her experiences as an intelligence officer running secret operations behind the Berlin Wall that put her life at risk.

experiences of her family during the iron-fisted regime of the German Democratic Republic (1949-1990). The Second World War has wound to a close. Perhaps life can return to normal. Or not.

Book review: Forty Autumns  
Book review: Forty Autumns  
Forty Autumns is a family memoir by American former intelligence officer Nina Willner. Willner's mother fled Communist East Germany: for forty years she couldn't see her family. In the interim, her daughter became an American intelligence officer working in Berlin during the Cold War. Willner recounts her family's history on both sides of the Iron Curtain, using this history as a
