Doug Rosenberg's Transcriptions #11: John Coltrane's solo on "Chasin' The Trane". This whole project was conceived as a way to celebrate the birthday of John Coltrane. This grand artist would have been 88 today, as he was born on 23-September-1926, in Hamlet, NC. If you don't know, the song title of "Chasin' the Trane" is compelling for all of us modern saxophone players: John Coltrane's saxophone soloing is the pinnacle of saxophone performance.

John Coltrane | Jazz Transcriptions
Transition is an album of music by jazz saxophonist John Coltrane, recorded in 1965 but released posthumously only in 1970. As its title indicates, Transition was a bridge between classic quartet recordings like A Love Supreme and the more experimental works of Coltrane's last years.
