~~Service Manuals M - Radio Workshop~~Radio Workshop

Some of the radio manuals listed are only circuit diagrams. However, the schematics can often be enough to help in fault finding. Full service data on vintage valve radios and some transistor radios and record players has been included where possible. To make things easier, I've listed the manufacturers in alphabetical order.

~~The Diagram Dungeon 5 - Murphy Radio~~

The murphy diagram dungeon; Murphy Radio only supplied service information to its authorised dealers. Consequently service manuals may be difficult for collectors to obtain. Eventually the firm had to relax this attitude; during the War there were few new radios to be bought, and many Murphy Dealers had been called up for National Service. Therefore the most popular Murphy sets were submitted ...
