The Gathering Storm is a BBC – HBO co-produced television biographical film about Winston Churchill in the years just prior to World War II.The title of the film is that of the first volume of Churchill's largely autobiographical six-volume history of the war, which covered the period from 1919 to 3 September 1939, the day he became First Lord of the Admiralty.

The Gathering Storm (2002 film) - Wikipedia

The Gathering Storm is the first book of a six book series written by Churchill about World War II. It is unique because the other major players--Stalin, Roosevelt, Mussolini....did not write about it. At publication is was taken as a historical work, but today it should probably be read more as a memoir. I am on a WWII reading jag right now.

The Gathering Storm is a fantasy novel by American writers Robert Jordan and Brandon Sanderson, the twelfth book in the series The Wheel of Time. It was incomplete when Jordan died on September 16, 2007, from cardiac amyloidosis. His widow Harriet McDougal and his publisher Tom Doherty chose Sanderson to continue the book.

The Gathering Storm (novel) - Wikipedia

The Gathering Storm covers the pre-war years - during which Churchill was often a voice in the wilderness - and the first part of the war. It is very well written, as you might expect, and not too partisan, but there is one flaw with this version. The text is something of a mess. It is incomplete, so that various lists and tables are missing.
