That is books in a series that are more about setting up the final book while tying up certain plot points of the series. It did end surprisingly short considering I first thought this was the final of the series and it ended at the 87% mark with an excellent as it turns out short story about the person who decides to tag along with our dragonrider in the end.

With Jaevid Broadfeather forever lost to the depths of Luntharda, Felix Farrow struggles to stand on his own. He begins a violent downward spiral which causes him to abandon his post as a dragonrider, hiding in the halls of his family estate. His one hope for redemption lies within the heart of someone from his past—
