Fortunately, readers wanting a succinct and practical consideration of the law should look no further than Wills, Administration and Taxation Law and Practice. Written by a mixture of academic and practitioner lawyers, the ninth edition of Wills, Administration and Taxation Law and Practice has been written with the practitioner in mind. This is most apparent in chapter twenty-two which is entirely dedicated to planning and drafting a will and includes precedent wording.

The urgency of addressing climate change was at the core of Biden's platform. As a result, we can expect to see climate change permeate all aspects of a Biden Administration's policies - from environmental policy, to public lands management, to tax and economic policy, to federal enforcement of environmental laws.

~~What A Biden Administration Will Mean For US Climate ...~~

One approach is to allow for electronic wills while putting safeguards in place to help formalize the electronic will-making process: two notable safeguards include having one of the two witnesses required by the Succession Law Reform Act to be a member of the Law Society of Ontario, as well as having the will stored by a "qualified custodian" (i.e. an electronic will storage service). In ...
